Overview

The Platte River Recovery Implementation Program ("Program" or "PRRIP") was initiated on January 1, 2007 between Nebraska, Wyoming, Colorado, and the Department of the Interior to address threatened and endangered species issues in the central and lower Platte River basin. The species considered in the Program, referred to as "target species," are the whooping crane, piping plover, interior least tern, and pallid sturgeon.

A Governance Committee (GC) reviews, directs, and provides oversight for Program activities. The GC is comprised of one representative from each of the three states, three water user representatives, two representatives from environmental groups, and two members representing federal agencies. The GC has named Jason Farnsworth to serve as the Program Executive Director (ED). Headwaters Corporation serves as the staffing mechanism for the Program. Program staff are located in Nebraska and Colorado and are responsible for assisting in carrying out Program-related activities.

The Platte River Recovery Implementation Foundation, Trustee, has acquired a parcel of land with a fair to average condition two-story house, a wood-frame two-car detached garage, and a barn with an attached lean-to that are adjacent to the house. The house has 2,864 square feet of above grade living area. The house and garage are dated and were built in 1921 and have been occupied since 1998. The barn and lean-to are older. In addition, there is a 24 ft. by 80 ft. steel Quonset and 864 sq ft. wood frame cabin built in 1970.

The successful Bidder will purchase and remove the buildings from the property at their own risk and expense.

The Program is soliciting sealed bids for purchase and removal of the structures as a whole or individually to the highest bidder. The tract is located in western Merrick County east of Grand Island, NE. The property is in the southeastern quadrant of the intersection of "A" Road and "3rd" Road. The address is 340 A Rd, Grand Island, NE 68801. A map of the Property can be found in Appendices A. The building must be removed within a year of the purchase date. Those submitting a sealed bid for the building should read the content of this solicitation carefully, as these will form the basis of the agreement with the Program.

Building Removal Responsibilities

The Bidder shall remove the buildings from the property. The Bidder shall furnish all supervision, labor, materials, and equipment necessary to accomplish the building removal. It is expected that the Bidder will move the building from the property to a new location at NO cost to the Program. All permits, licenses, approvals, and insurance required to move and relocate the house are the responsibility of the Bidder. The building and all materials in it are the responsibility of the Bidder. The concrete footings, pad, basement will NOT be the responsibility of the bidder.

BID PROCESS

Instructions for Submitting Bid

One original copy of your sealed bid, completed on the bid form included in this packet, must be submitted in person or by mail so that is received *no later than 5:00 PM Central Time Friday, XXX XX, 2025*. Program Perspective

The Program has the sole discretion and reserves the right to reject all bids received in response to this solicitation and to cancel this solicitation if it is deemed in the best interest of the Program to do so. Issuance of this Solicitation in no way constitutes a commitment by the Program to award a bid. The Program also reserves the right to make amendments to this solicitation by giving written notice to Bidders, and to request clarification, supplements, and additions to the information provided by Bidders.

By submitting a bid in response to this solicitation, Bidders understand and agree that any selection of a Bidder or any decision to reject any or all bids shall be at the sole discretion of the Program. Additionally, by submitting a bid, Bidders agree that they waive any claim for the recovery of any costs or expenses incurred in preparing and submitting a bid.

To the extent authorized by law, the Purchaser shall indemnify, save, and hold harmless the Platte River Recovery Implementation Program, Platte River Recovery Implementation Foundation, the states of Colorado, Wyoming, and Nebraska, the Department of the Interior, members of the GC, and the ED Office, their employees, employers, and agents, against any and all claims, damages, liability, and court awards including costs, expenses, and attorney fees incurred as a result of any act or omission by the Purchaser or its employees, agents, sub-Contractors, or assignees pursuant to the terms of this bid.
