1. **Parties.** This Contract is made and entered into by and between Nebraska Community Foundation (“**Foundation**”) of Lincoln, Nebraska, representing all signatories to the Platte River Recovery Implementation Program (“**Program**”) and Agri-Affiliates, Inc. (“**Contractor**”). The following persons are authorized to represent the parties through this Contract: Diane Wilson of the Foundation; Jason Farnsworth of the **Program**; and Bart Woodward, Manager of the **Contractor**.

2. **Purpose of Contract.** The purpose of this Contract is to allow the **Foundation**, acting as the fiscal agent for the Governance Committee (GC) of the **Program**, to retain the services of the **Contractor** to render certain technical or professional services hereinafter described in connection with an undertaking to be financed by the **Program**, and to delegate the Executive Director’s Office (“**ED Office**”) through its Executive Director or his designee the authority to administer this Contract.

3. **Term of Contract and Required Approvals.** This Contract is effective when all parties have executed it and shall remain in effect until December 31, 2023, or until the work required is satisfactory completed, whichever occurs first. Work performed under this Contract shall occur from January 1, 2021 through December 31, 2023. Any extension of the contract term beyond December 31, 2023 must be in writing, signed by both Parties in order to be valid.

If the **Contractor** has been delayed and as a result will be unable, in the opinion of the **Program**, to complete performance fully and satisfactorily within this Contract period, the **Contractor** may be granted an extension of time, upon submission of evidence of the causes of delay satisfactory to the **Program**. An extension of the contract term must be in writing, signed by both Parties in order to be valid.

4. **Payment.**

A. Reimbursement of Expenses. The Program agrees to pay the Contractor an amount based on the approved hourly rate and reimbursable expenses depicted in Exhibit C, attached to and incorporated by reference as part of this Contract, for the services described in Exhibit A with respect to the properties set forth on Exhibit B, both attached to and incorporated by reference as part of this Contract. Total Payment under this contract shall not exceed \$15,000 per year for each of the three years of the contract term.

B. Cost Rates. The labor and equipment cost rates for each task included in Exhibit A are as set forth on Exhibit C.

These unit prices are not to be exceeded unless authorized in writing by the Program. The contract total amount is controlling and is a ceiling price that contractor exceeds at its own risk. Payment shall be made directly to the Contractor. The Contractor shall maintain hourly records of time worked by its personnel to support any audits the Program may require. Billing reports shall be submitted no more often than monthly for activities and costs accrued since the last billing report.

C. Billing Procedures. The Contractor shall send billing reports for services performed for the various tasks outlined in Exhibit A to the ED Office (address included below). The Program's Executive Director, upon receiving the billing report, will review the bill and advance the invoice to the Bureau of Reclamation who will advise the Foundation of approval. The Foundation will make payment of these funds directly to the Contractor within 30 days of receiving notice of approval. Payments are due within 60 days after the billing date.

D. Withholding of Payment.

(i) When the Program has reasonable grounds for believing that the Contractor will be unable to perform this Contract fully and satisfactorily within the time fixed for performance, then the Program may withhold payment of such portion of any amount otherwise due and payable to the Contractor reasonably deemed appropriate to protect the Program against such loss. These amounts may be withheld until the cause for the withholding is cured to the Program's satisfaction or this Contract is terminated pursuant to Section 8.U. Any amount so withheld may be retained by the Program for such period as it may deem advisable to protect the Program against any loss. This provision is intended solely for the benefit of the Program and no person shall have any right against the Program or Foundation by reason of the Program's failure or refusal to withhold monies. No

interest shall be payable by the **Program** or **Foundation** on any amounts withheld under this provision. This provision is not intended to limit or in any way prejudice any other right of the **Program** or **Foundation**.

(ii) If a work element has not been completed by the dates established in Exhibit A, the **Program** may withhold all payments beginning with the month following that date until such deficiency has been corrected.

E. Final Completion and Payment. The final payment shall be made upon acceptance of the final report, receipt of the final billing, and if applicable, execution of the final contract amendment documenting the final contract amount.

5. Responsibilities of Contractor.

A. Scope of Services. The **Contractor** shall perform the specific services required under this Contract in a satisfactory and proper manner as outlined in Exhibit A. If there is any conflict between this Contract and the provisions of the specific requirements of Exhibit A, the specific requirements shall prevail.

B. Personnel. All of the services required hereunder will be performed by the **Contractor** or under its supervision, and all personnel engaged in the work shall be fully qualified and shall be authorized, licensed, or permitted under state law to perform such services, if state law requires such authorization, license, or permit.

The **Contractor** shall submit a list of the proposed subcontractors, associates, or consultants; the scope and extent of each subcontract; and the dollar amount of each subcontract prior to Contract execution to the **Program** for approval. During the performance of the Contract, substitutions in or additions to such subcontracts, associates, or consultants will be subject to the prior approval of the **Program**. The **Program** approval of subcontractors will not relieve the **Contractor** from any responsibilities outlined in this Contract. The **Contractor** shall be responsible for the actions of the subcontractors, associates, and subconsultants.

(ii) **Billings for Subcontractors.** Billings for subcontractor, associates or subconsultants services will not include any mark up. E. Kickbacks. The **Contractor** certifies and warrants that no gratuities, kickbacks, or contingency fees were paid in connection with this Contract, nor were any fees, commissions, gifts, or other considerations made contingent upon the award of this Contract. If the **Contractor** breaches or violates this warranty, the **Program** may, at its discretion, terminate this Contract without liability to the **Program**, or deduct from the Contract price or consideration, or otherwise recover, the full amount of any commission, percentage, brokerage, or contingency fee.

The Contractor shall, immediately upon receiving written instruction from the Program or the Foundation, provide to the Foundation or any governmental entity, independent auditor, accountant, or accounting firm, all books, documents, papers and records of the Contractor which are pertinent to this Contract. The Contractor shall cooperate fully with the Foundation or any such governmental entity, independent auditor, accountant, or accounting firm, during the entire course of any audit authorized by or required of the Program.

E. Availability of Funds. Each payment obligation of the Program is conditioned upon the availability of funds and continuation of the Platte River Recovery Implementation Program. If funds are not allocated and available for the continuance of the services performed by the Contractor, the contract may be terminated by the Program at the end of the period for which the funds are available. The Program shall notify the Contractor at the earliest possible time of the services which will or may be affected by a shortage of funds. No penalty shall accrue to the Program in the event this provision is exercised, and the Program shall not be obligated or liable for any future payments due or for any damages as a result of termination under this section. This provision shall not be construed to permit the Program to terminate this Contract to acquire similar services from another party.

Contractor shall notify the Program of any potential or actual conflicts of interest arising during the course of the Contractor's performance under this Contract. This Contract may be terminated in the event a conflict of interest arises. Termination of the Contract will be subject to a mutual settlement of accounts. In the event the contract is terminated under this provision, the Contractor shall take steps to ensure that the file, evidence, evaluation, and data are provided to the Program or its designee. This does not prohibit or affect the Contractor's ability to engage in consultations, evaluations, or representation under agreement with other agencies, firms, facilities, or attorneys so long as no conflict exists.

(ii) A conflict of interest warranting termination of the Contract includes, but is not necessarily limited to, representing a client in an adversarial proceeding against the Platte River Recovery Implementation Program, its signatories, boards, commissions, or the Foundation, or initiating suits in equity including injunctions, declaratory judgments, writs of prohibition or *quo warranto*.

Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. This provision shall become effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that required by the event and takes all reasonable steps to minimize delays. This provision shall not be effective unless the failure to perform is beyond the control and without the fault or negligence of the nonperforming party.

M. Indemnification. The Contractor shall indemnify and hold harmless the Foundation, the Program, the ED Office, and their officers, agents, employees, successors and assignees from any and all claims, lawsuits, losses and liability arising out of Contractor's failure to perform any of Contractor's duties and obligations hereunder or in connection with the negligent performance of Contractor's duties or obligations, including but not limited to any claims, lawsuits, losses or liability arising out of Contractor's malpractice. The obligations of this paragraph shall survive termination of this Contract.

N. Independent Contractor. The Contractor shall function as an independent contractor for the purposes of this Contract and shall not be considered an employee of the Program, Foundation, or ED Office for any purpose. The Contractor shall assume sole responsibility for any debts or liabilities that may be incurred by the Contractor in fulfilling the terms of this Contract, and shall be solely responsible for the payment of all federal, state and local taxes which may accrue because of this Contract. Nothing in this Contract shall be interpreted as authorizing the Contractor or its agents and/or employees to act as an agent or representative for or on behalf of the Foundation or the Program, or to incur any obligation of any kind on the behalf of the Foundation or the Program. The Contractor agrees that no health/hospitalization benefits, workers' compensation and/or similar benefits available to Foundation, Program, or ED Office employees will inure to the benefit of the Contractor or the Contractor's agents and/or employees as a result of this Contract.

R. Patent or Copyright Protection. The Contractor recognizes that certain proprietary matters or techniques may be subject to patent, trademark, copyright, license or other similar restrictions, and warrants that no work performed by the Contractor or its subcontractors will violate any such restriction.
