

2024 Platte River Recreation Access Subcommittee Minutes

April 16, 2024

1) Public comment- No comment

3) Violations/complaints- Area L adjacent landowner harassment complaints- Isolated incident, no indication laws were broken. Area A individual hunting in no access zone of river, conservation officer called and issued ticket.

4) Area P fence construction on task to be completed this spring.

5) Discussed perceived properties being booked and not used by individuals trying to lock down areas and not allow others to hunt them. Revisit Areas with higher percent of reservations next year and continue evaluating properties where properties are consistently reserved full causing complaints.

6) PRRR PRRIP land- add language indicating PRRIP is private land on main webpage. Will work with Andrew to update language.

7) Law enforcement to be given access to user data real time to know who should be on properties.

8) We discussed exclusion zone distance for shotgun/rifle hunting to dwelling (100yd shotgun, 200yd rifle)

9) Mirror area K fishing regs and have LAC explore opening Newark to fishing.

10) Sync Area A water access with Area K- both properties provide similar access and recreation opportunities, maps are inconsistent on open access of water. Recommend Area A map changed to be consistent with Area K.
