Morse: Monitoring Locations

-DRAFT-

Legend	
●	Surface Water Monitoring
●	GW Monitoring Wells

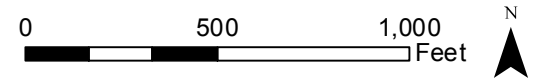

Figure:

Notes:

- Data is provisional and subject to revision. Data has not been downloaded since May 2018.
- The Program places water in the wetlands in Oct, Nov, Mar, Apr, and May but will not do this during construction. These wells are situated right around the wetlands where water is placed.
- Data is for the 1/4 section bordering NW corner of I Rd and 747 Rd.
