1) Are there any exclusions to the 50-page proposal limit?

Under the Proposal Content expectations listed on page 8 of the RFP, the proof of insurance certificates required per item #6 and as specified in the terms of the Standard Consulting Services Contract (Exhibit B of the RFP) are excluded from the 50-page limit.

The lobbying certification required per item #9 and attached at the end of the Standard Consulting Services Contract (page 35 of the RFP packet) is also excluded from the 50-page limit.

All other requested proposal content counts towards the 50-page limit.
